EDITOR'S NOTE

The Massachusetts Law Review publishes articles of general interest to members of the Massachusetts bar. The Editors welcome completed articles or suggestions of appropriate topics for further articles. Such topics often include areas of recent change in the law or more settled subjects for which a clear and thorough survey would be of assistance to the practicing bar.

The Editors encourage persons interested in submitting articles to contact the Review. Authors may submit articles in completed and final form, provide an outline of an article, or discuss with the Editor-in-Chief, or any of the Associate Editors ideas for articles.

Suggestions and inquiries should be directed to Philip M. Cronin, Editor-in-Chief, Massachusetts Law Review, c/o Withington, Cross, Park & Groden, One International Place, Boston, Massachusetts 02110.
